CRIMINAL COMPLAINT

I, the complainant in this case, state that the following is true to the best of my knowledge and belief.

On or about the date(s) of October 26, 2011 in the county of Cameron in the Southern District of Texas, the defendant(s) violated:

Code Section

Title 21, United States Code, Sections 963, 952(a), and
 960(b)(1).

Offense Description

knowingly and intentionally conspire and agree with persons known and unknown to import a controlled substance into the United States of America from a place outside thereof, that is, from the country of Mexico, a quantity of more than 5 kilograms of cocaine (a Schedule II controlled substance) and a quantity of more than 1,000 kilograms of marijuana (a Schedule I controlled substance).

This criminal complaint is based on these facts:

On October 26, 2011, Juan Roberto RINCON-Rincon was apprehended after entering the U.S. illegally. Investigation of RINCON revealed that he was the GULF CARTEL's plaza (area of control) boss in charge of Rio Bravo, Tamaulipas, Mexico. RINCON was responsible for smuggling operations of all narcotics through the Rio Bravo plaza area. RINCON was in charge of the Rio Bravo plaza since the death of Samuel FLORES-Borrego (September 2, 2011). RINCON was personally responsible for smuggling 500 kilograms of marijuana per week from Rio Bravo, Mexico, into the United States. RINCON also charged a fee for other narcotics that were to be imported into the United States from and through his Mexican plaza. The narcotics imported through RINCON'S plaza (area of control) included marijuana and cocaine. Investigation has revealed the seizure of more than 5 kilograms of cocaine and more than 1,000 kilograms of marijuana imported into the United States via the Rio Bravo plaza area.
